A SOCIAL INITIATIVE BY

UDAAN is a social initiative started by members of WISDOM360. We exist to focus on various humanitarian service programs in the area of education to the underprivileged and less fortunate ones often forgotten by the rest of the world.

We reach a multitude of children across different strata of society, irrespective of the kind of education they are receiving or the curriculum they are following.

MISSION

Udaan promises to provide excellent quality, holistic education to underprivileged children who would not otherwise have access to such education, promoting community development and helping children find their unique capabilities and potential to contribute to their future growth.

VISION

Its aims to extract their hidden talents and skills so that they can realize their true potential along with inculcating a sense of self respect among them.

MINDSPARK

Providing experienced personalised learning.

PARTNER SCHOOLS

Partnering schools for the initiative in various regions.

DETAILED ASSESSMENT

Teachers to be assisted for classroom remediation.
